

Actividad: Git y Github

En mi cuenta de git cree un repositorio para mantener versionados todos los documentos de la diplomatura a modo de ejemplificar la actividad de Git

The screenshot shows the GitHub profile page for user 'jdeandres'. The header includes the user's name, a search bar, and navigation links for Overview, Repositories (9), Projects, Packages, and Stars. The main content area features a large profile picture of a purple and white cross, the username 'jdeandres', and an 'Edit profile' button. Below the profile, there is a search bar with the text 'Diplo' and a dropdown menu showing '1 result for repositories matching Diplo sorted by last updated'. The result is a repository named 'DiploDevOps' (Public) with the description 'Documentos utiles para el cursado de la diplomatura DevOps de MundosE' and a star button.

The screenshot shows the GitHub repository page for 'DiploDevOps' (Public). The header includes the repository name, a search bar, and navigation links for Code, Issues (1), Pull requests, Actions, Projects, Wiki, Security, Insights, and Settings. The main content area features a 'test' branch with 2 branches and 0 tags. A warning message states 'Your test branch isn't protected' with a 'Protect this branch' button. Below the warning, there is a commit by 'Joel de Andres' with the message 'initial commit test', a hash of '77c416a', and a timestamp of '16 minutes ago'. The right sidebar shows the repository's 'About' section, including a description, activity, 0 stars, 0 watching, and 0 forks.

cree un issues

The screenshot shows the GitHub interface for the repository 'jdeandres / DiploDevOps'. The 'Issues' tab is selected, showing 1 open issue. A banner at the top encourages labeling issues for new contributors. The issue list shows one open issue titled 'PR to master' by user 'jdeandres'. The footer contains GitHub's standard navigation links.

Crear un pull requests

The screenshot shows the GitHub interface for creating a pull request in the repository 'jdeandres / DiploDevOps'. The 'Pull requests' tab is selected. The interface shows the 'base' branch as 'master' and the 'compare' branch as 'test'. A green status bar indicates 'Able to merge'. The main area is a text editor for the pull request title and description, with a 'Write' tab selected. The right sidebar shows sections for Reviewers, Assignees, Labels, Projects, and Milestones, all currently empty. A green 'Create pull request' button is at the bottom right.

Se realizo el merge y el cierre del issues

Label issues and pull requests for new contributors
